Above is a photo of a Covington SWAT evaluation and mock scenario that Officer Doug Bryant and Sergeant Chris Carpenter helped put together and evaluate. The other photo is a $45,000 robot that was donated to Kenton County Regional SWAT and has a community interaction mode that we can use for community relation classes at schools.

## TRAINING:

Sergeant Brent Moening is attending CRIMINAL JUSTICE EXECUTIVE DEVELOPMENT PROGRAM CLASS XXII. This program is structured for small to medium size law enforcement agency administrators and managers. The purpose is to provide the students with contemporary theories, management techniques, and leadership skills enabling them to perform more effectively and efficiently in their positions as community leaders. "The course prepares the leaders of today for the challenges they will face in the future." The law enforcement functional areas that will be addressed are: problem identification, analysis and solving; personnel administration; operations and fiscal management; policies and procedures; legal concerns; and organizational behavior/culture. Topics emphasized throughout the course include: leadership, ethics, executive writing, and public speaking. The program requires a high level of motivation, completion of projects/assignments, and the commitment to complete the entire course. The CJED course is a challenging and rewarding educational experience. The CJED Leadership Association Officers review all applications and recommend the selection of attendees to the Commissioner of the Department of Criminal Justice Training. The learning outcomes for this course will be for students to develop an increased level of confidence in the performance of executive duties to include: public speaking, budgeting, executive writing, Leadership philosophy and organizational management. The course is 168 hours total and will be completed over a three-month time frame. The first session is two weeks and then one week sessions in the following two months. ## January 2017 Monthly Report
*Information as of February 10th, 2017*

January proved to be a busy month for our Detectives totaling 12 new cases. During the month car break-ins continued and became one of the main focuses of the Detectives. Also, two burglaries were reported during the month. Those two burglaries have been solved and charges are pending on both cases.

### January Case Load

Theft – 8
Criminal Mischief – 1
Burglary - 2
Wanton Endangerment – 1

### Trending

- As mentioned above, January continued with the string of car break-ins. Detectives have been working diligently trying to identify the suspect(s). If anyone has any information they are encouraged to contact Detective Adam Noe with any information.

- In mid-January our Detectives investigated a burglary at Fastenal located at 90 Alexandria Pike. After an early morning crime spree which began in Covington was ultimately ended after a pursuit of the suspect on I-71 heading toward Louisville. The suspect was apprehended and has been charged with multiple offenses including those stemming from the burglary at Fastenal here in Ft. Thomas.

- As we roll into February we also enter tax season. With that said we begin seeing the IRS scams start to roll in. We have already received some complaints of emails being received from the IRS regarding refunds. Please keep in mind that the IRS will **NOT** call you, they will **NOT** email you; they will only contact you via standard USPS mail. If you have any suspicion about correspondence you've received, please discard and contact the IRS yourself to verify the validity of the correspondence!!
