March 2017 Monthly Report Summary

COMMUNITY EVENTS:

Detective Micheal Rowland and Officer Sean Donelan attended the Fort Thomas Lions Club meeting at the Highland Country Club. Officer Donelan gave a presentation on the recent car break-ins, legal issues regarding mopeds, impaired driving and alcohol content per beverage and demonstrated some field sobriety testing used by the officers on the street. He also discussed a few police calls, stressors in policing and coping with those calls.

Detective Rowland, currently assigned to the Northern Kentucky Drug Strike Force, presented on the current issues with the heroin and fentanyl epidemic, statistics on overdoses and related issues to heroin usage. He also covered new legislation and federal sentencing of heroin trafficking and possession cases. He also presented on the recent increase of "crack" cocaine and methamphetamine usage in Northern Kentucky.

Officer Doug Bryant spoke to the 4th and 5th graders at Johnson Elementary for their career fair. He spoke to them about requirements to be a police officer, what a typical day looks like for an officer, what kind of training it takes, and various other aspects of policing. He also took questions from the students about policing.

Officer Derek Faught was interviewed by a student at Highlands High School in their media department about the dangers and realities of heroin use. They are going to take the interview as well as interviews conducted with former users and other leaders in the community and make a documentary.

Officer Faught was also interviewed by a NKU student about being a police officer as part of a project for her criminal justice class.

TRAINING:

Officers Zac Rohlfer, Adam Peak, Brandon Laffin, and Wayne Dutle attended State and Local Anti-Terrorism Training. It was a one-day class focusing on teaching local law enforcement about the current practices that the federal government is using to combat terrorism. They also focused on what is currently being used by terrorist groups to recruit and train home grown extremists here in the US.

Sergeant Chris Carpenter attended Terrorism Tactics Techniques and Procedures. This course is designed as a terrorism awareness course and provides the latest knowledge of terrorist tactics, techniques used in communities, and the procedures used to accomplish illicit activities. The learning outcomes for this course will be for the law enforcement officer to gain the information and resources so they can successfully prepare for, recognize, prevent, and respond to a terrorist incident. The law enforcement officer will be introduced to current domestic and international terrorist threat groups, terrorist trends, fraudulent identities, and energetic materials, devices, and components. In addition, the student will be introduced to the DarkNet/TOR, terrorist financial investigations, radiological exposure devices, personal protective equipment, and incident response.

Officer Sean Donelan attended Firearms Instructor Update 2017. This course is designed to provide training Firearms Instructors with updated information concerning national trends, current academy philosophy and objectives. The learning objectives will cover firearms related issues and current topics related to use of force, threat pattern recognition, along with other relevant topics.

Sergeant Brent Moening completed Criminal Justice Executive Development Class XX (CJED). This is a 200-hour course that is four weeks in duration. CJED is an advanced leadership course for criminal justice professionals offered by the DOCJT. The purpose of the course is to provide students with the academic background, leadership skills and management techniques required for the future. Each session enhances leadership abilities as well as encourages the development of visionary thinkers. Approximately 100 officers throughout the state of Kentucky apply to attend this course. This year, the selection committee chose Sergeant Moening along with nineteen other officers for the class. The Fort Thomas Police Department has seven officers that have graduated from CJED.

Officer Nick Hoffman completed Breath Test Operator Recertification – Online. Breath test operators are required by 500 KAR 8:010 to maintain their certification by completing the recertification course every two years. The recertification will cover recent legal information and a refresher of operator techniques for the breath testing instruments used in the Commonwealth.

In March, the officers completed their annual pistol qualification. Congratulations to Officer Mike Dietz for winning the "Pistol Expert" pin with the highest qualification score. Officer training then focused on several drills involving one-handed pistol operation. Officers competed against one another in these drills which involved divided-attention, single hand reloads, and weak-hand pistol operations. Congratulations also to Officer Zac Rohlfer who was named the next firearms instructor.

ENFORCEMENT:

In March, officers wrote 31 speeding charges, 34 charges for non-traffic offenses (i.e., warrants, assaults, disorderly conduct, etc.) and 111 traffic charges (i.e., suspended OL, no insurance, expired license plate, etc.) Officers also issued 133 written warnings and totaled 30 court appearances. There were 31 drug related charges placed against 21 adults. Of the individuals six are Fort Thomas residents. Traffic stops led to 12 of the charges.

If there are no questions, this will conclude my report.

Respectfully submitted,

Chief Mike Daly
