**CITIZENS' ACADEMY**

Fall 2017 Session

***Have you ever wondered what the 911 dispatch center looks like?***

***Are you curious about how your tax dollars get allocated?***

***Do you want to know how county road repairs are prioritized?***

**If you're interested in the answers to these questions (and more), the Campbell County Citizens' Academy wants you!**

**WHAT IS THE PROGRAM?**

Similar to a citizens' police academy, the Campbell County Citizens' Academy is an eight-week educational program where 20-25 participants meet one night per week to learn more about the structure, functions, and work of various county government entities. Participants will meet with elected officials and key staff to increase their knowledge about how tax dollars are used to fund basic services of the general government. Those wanting to get more involved in the community are encouraged to apply. Plus, you'll make lots of new friends along the way!

**WHAT WILL I LEARN?**

The Campbell County Citizens' Academy will meet from 7-9pm on Mondays this fall. Most sessions are held at the County Building in Newport, but a few field trips are planned, too!
