1. Equipment shall comply with all EPA emission standards and all motor vehicle safety standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.
2. The successful bidder shall be responsible for delivering vehicle(s) that are properly serviced and in first call operating condition. Pre-delivery shall include the following:

- Complete lubrication
- Fluid levels filled properly
- Engine adjustment to assure proper operating
- Inflate tires to proper pressure
- Check operation on all accessories, gauges, and lights, etc.
- Front end alignment and balance wheels
- Clean vehicle

In compliance with the above, the undersigned offers and agrees, if this bid is accepted within ninety (90) calendar days from the date of opening, to furnish any and all of the items upon which prices are quoted, at the price set opposite each item, delivered at the designated point(s) within the time specified in the schedule. Items on bid are exempt from federal excise tax and Kentucky sales and use tax. Title shall pass to the City upon actual receipt and acceptance of the items. In the event there is a discrepancy between the unit price and the extended price, the unit price shall govern.
